INTELLIGENCE MEMORANDUM

The Security Situation in Uruguay
(Situation Report Number 22)

1. No new information has been received that would change the conclusions reached in Special National Intelligence Estimate 98-67, SECURITY CONDITIONS IN URUGUAY, 23 March 1967.

2. Overall security preparations are coming along well and there is every reason to believe that the Uruguayans will perform their duties effectively during the conference.

3. No anti-conference propaganda has been noted to date in Punta del Este or nearby Maldonado, but the Communists are keeping up a steady stream of anti-summit propaganda in Montevideo.
